Dave, I know my legislative aide Sharon had been working with SGT. Bennet, who is the Chief's staff assistant. Unfortunately, Dave, in this form of government, City Council has little authority to influence the day to day procedures of the departments. We function as the legislative branch while the Mayor is responsible for the actual running of the staff. I will personally talk to SGT. Bennet, however based on the conversations I have had and looking at his correspondence to you, I am not particularly hopeful.

Mr. Buckhorn-

Do you know if you will be able to get the Tampa Police Department to respond to my wife's letter of complaint and whether or not they can correct the accident report referenced in my last e-mail?

Thanks!
